INTERVIEW SUMMARY

This interview summary is filed in response to the Patent Office Interview Summary mailed with a Notice of Allowance on January 9, 2009. A telephone interview was held on December 16, 2008, in response to a telephone call made by Examiner Anoop Singh to the Applicant's representative Cynthia Rothschild on December 15, 2008. Attending both telephone interviews were Examiner Anoop Singh and the Applicant's representative Cynthia Rothschild. It was discussed that pending claims 75 and 84 included allowable subject matter, but that the clarity of claim 75 would be improved by amending claim 75 as presented in the Examiner's Amendment, also mailed January 9, 2009. The Applicant's representative agreed to the amendment of claim 75 as proposed by the Examiner. The Applicant and Applicant's representative thank the Examiner for taking the time to participate in the interview and helping to clarify the outstanding issues in the case.

Respectfully submitted,

Date: February 4, 2009
